

The Gulfco Parties agree to complete the investigation and cleanup of the Gulfco site to assure that all contamination, both surface and sub-surface is mitigated, remediated, or removed in a manner consistent with NPL delisting. To facilitate this, the parties will submit an acceptable scope of work detailing the specific plans, by July 15, 2005.

This is the statement Sam needs in writing
from the PRPs in order to consider delaying the
effective date of the UAD.
